

Team ID	PNT2022TMID13851
Project Name	Personal expense tracker application
Assignment	1. html file

Create html file

1) 4 input boxes

-name

-qualification

-age

-email

-submit button

```
<!DOCTYPE html>
<html lang="en">
<head>
  <meta charset="UTF-8">
  <meta http-equiv="X-UA-Compatible" content="IE=edge">
  <meta name="viewport" content="width=device-width, initial-scale=1.0">
  <title>Display mail , phone , name.</title>
</head>
<body>
  <div style="background:linear-gradient(to left,rgb(241, 142, 142),skyblue);padding:360px;">
    <p style="font-size:medium;text-align:center;">
      
      <h1>personal expense tracker </h1>
    </p>

    <form action="/login" method="post">

      <p>Enter name:</p>
      <input type="text" name="nm">
      <p>Enter mail id:</p>
```

```
<input type="email" name="mail">
<p>Enter age:</p>
<input type="number" name="age">
<p>Enter qualification:</p>
<input type="text" name="qualification">
<br>
<br>
<br>
<input type="submit" value="submit">
</form>
</div>

</body>
</html>
```

Output:

The screenshot shows a web browser window with a single tab titled "Display mail , phone , name." The address bar shows the file path: "C:/Users/Swetha/Desktop/ibmrelated%20doc/implement%20of%20app/code/register.html". The webpage has a light blue and pink gradient background. At the top center is a green circular icon with a white house and a dollar sign. Below the icon, the title "personal expense tracker" is displayed in bold black text. The form consists of four labels with corresponding input fields: "Enter name:" with a white text box, "Enter mail id:" with a white text box, "Enter age:" with a white number input box, and "Enter qualification:" with a white text box. At the bottom of the form is a white "submit" button. The Windows taskbar is visible at the bottom, showing the search bar, task view button, and several application icons. The system tray on the right shows the date and time: "17:50 13-11-2022".
